FROM THE MANAGER/CEO

**Cool off electric bills with
TogetherWeSave.com**

Rick L. Eichelberger
General Manager & CEO

SCORCHING temperatures and high electric bills don't need to arrive hand-in-hand this summer. At New Enterprise Rural Electric Cooperative, we are committed to providing you with not only safe and reliable electric service, but also with information you need to save energy, and keep electric bills affordable when the heat is on.

One of the most powerful tools in New Enterprise Rural Electric's energy-saving arsenal is TogetherWeSave.com. The website offers nine applications focusing on different actions that, once completed, show an actual savings calculation. For example, in the "Lower Your Water Heater Temperature" application, you can virtually adjust the temperature setting on the water heater dial to see a projection of how much money you could save by doing just that.

Take the Virtual Home Tour on TogetherWeSave.com to find even more ways to cut costs. You will "walk"

through a home's family room, kitchen, laundry room, bedroom, basement and attic. Each area reveals at least two actions you can take to improve your home's energy efficiency. As you move through the room and complete the suggested changes, you will see a running tally of potential energy dollar savings.

The website also provides access to the Touchstone Energy® Cooperatives TV web portal where you can view short energy efficiency videos. You can even connect with other energy-conscious members by sharing your story about what you are doing to be more efficient. It's remarkable that co-op members just like you from across the country have already visited TogetherWeSave.com and collectively saved an estimated \$40 million by making small energy-related changes at home.

We want to help you reach your energy-saving goals. So go ahead: flip a switch, lower the blinds, raise the temperature on your thermostat, and visit TogetherWeSave.com to find out how little changes can cool off your electric bill. ☀

July co-op calendar

July 4 - Office closed in observance of Independence Day

July 24 - Disconnect accounts with past due balances (last day to make payment arrangements with Brawna - extension 224 - is July 20)

July 27 - Regular payment and meter reading due date

Bluegrass festival

IF YOU ARE looking for the sounds of banjo pickin' and toe tappin' music, look no further than the third annual Southern Cove Bluegrass Festival. This music festival will be held July 14-15, 2012, at the Southern Cove Power Reunion Grounds in New Enterprise.

The Southern Cove Volunteer Fire Company, which sponsors the event, anticipates a growth of community support each year by hosting the festival. According to Tina Walter, event promoter, she hopes this will bring in revenue as part of their annual donations for the fire company. As most fire companies are seeking funds each year, they must think of new and inventive ways for financial support.

Walters hopes this will become a familiar annual event for the fire com-

pany that will bring local visitors as well as out-of-state visitors.

Gates will open at 9 a.m. each day, and the music will start at 11 a.m. with a full lineup of musicians/bands playing all day into the evening hours. The event will be held rain or shine. You may purchase tickets each day or purchase a two-day ticket at a discounted price. Camping for a nominal fee will be available for those who wish to stay for both days. A Sunday morning church service is being offered this year.

Bluegrass festival tickets will be available at the gate on Saturday for \$20 and Sunday for \$30. A two-day ticket can be purchased at a discount of \$45.

Musicians/bands playing on Saturday will be:

- ▶ Mountain Therapy
- ▶ Big Country Bluegrass

- ▶ Lonesome Highway
- ▶ Doyle Lawson & Quicksilver
- ▶ Blue Shades
- ▶ Bill Emerson & Sweet Dixie

Sunday's musicians/bands are:

- ▶ Little Roy & Lizzy
- ▶ Lonesome Highway
- ▶ Blue Shades
- ▶ Rhonda Vincent

Food concessions will be set up along with the Bedford County Dairy Princess' ice cream wagon. So bring your lawn chair and come out to support the local volunteer fire company by listening to some bluegrass music.

The Southern Cove Power Reunion Grounds is located at 145 Cave Road, New Enterprise, PA 16664. Additional information can be found online at www.southerncovebluegrass.com or contact Tina Walter at 814/766-2676.

MADE IN THE SHADE: Spectators listen to the sound of bluegrass while enjoying the shade at the Southern Cove Bluegrass Festival.

Capital credits

NEW ENTERPRISE Rural Electric Cooperative is a non-profit organization. If there are excess margins (also known as profits) after expenses, these amounts are allocated to the members. The amount retired (refunded) back to you is based on the amount of electricity you used that particular year.

We have served numerous members over the years. Some of these are now former members. We try to keep our database updated for accuracy, however, we sometimes lose track of where people are once they have left our system. Whether they may have moved or passed away, we need to keep their information updated. So, we are asking for your help to locate these people. If you recognize a name listed below, please contact the office with the former member's updated information.

Allison, Misty – Hopewell PA
 Baer, Thomas – Bedford PA
 Baker, D M – Loysburg PA

Energy Efficiency

Tip of the Month

Water heating ranks as one of the top three energy-related expenses in your home. Save energy and money by installing a water heater blanket, using low-flow showerheads and faucets, and lowering the thermostat on your water heater to 120 degrees Fahrenheit. Learn more at EnergySavers.gov.
