BUDGET BILLING PROGRAM

I/we, _____, authorize New Enterprise Rural Electric Cooperative, Inc. to place my/our account on the budget billing program. I understand that my/our budget amount must be paid in full on or before the due date each month. Should my account be late and charged a penalty charge twice within a six month period, I/we will be removed from the budget. At that time, the total balance will be due.

Once removed, my/our account cannot be put back on the Budget Billing Program for a year. My/our account can only be placed back on Budget Billing if my/our account balance is paid in full for twelve consecutive months on or before the due date.

I/we also understand that the computer each month looks at my/our previous 12 months' usage, averages it and rounds it to the nearest \$10.00. My/our budget amount may vary from time to time.
